Dear Valued Shareholder:

I am pleased to report that your Board of Directors declared a quarterly cash dividend of \$0.34 per common share, payable on March 3, 2025, to shareholders of record as of February 18, 2025. Middlesex has paid cash dividends to you, our shareholders, in varying amounts, continually for over a century and is proud of our 52-year history of consecutive annual dividend increases.

At the time this letter was produced, the Company had not yet released year end 2024 earnings. As always, we invite you to view news releases regarding your Company and our financial results by visiting <https://investors.middlesexwater.com/news-events/news-releases>.

We will be holding our Annual Meeting of Shareholders virtually on May 20, 2025, at 11:00 a.m. We expect to mail proxy material notices in mid-April. These notices will provide information on how to view our Proxy and Annual Report online, voting procedures, how to attend the virtual Annual Meeting and how to submit questions to management.
